

## License To Write

I, \_\_\_\_\_, hereby give \_\_\_\_\_ permission to write. *This permission is not contingent upon publication of a novel, story, play, screenplay, chapbook, biography or any equivalent work attempted, nor is it contingent upon achieving perfection. It is an unqualified license to write.*

*Rights granted shall include but not be limited to: the right to make the time necessary to practice your craft; the right to fail and try again, and again, and again...; the right to enjoy small gorgeous moments of insight; the right to doubt your work; the right to rest, retreat, and listen to the voice of wisdom seated in your soul; the right to surrender your intentions and start over; the right to read deeply, obsessively, and gratefully the works of writers who have come before you; the right to quit if said activities do not bring some measure of pleasure.*
